

EXPORTING DIALYSIS SOLUTIONS TO GLOBAL MARKETS

THROUGH RELIABLE MANUFACTURING AND SUPPLY CHAINS.

**Formerly Renacon
Pharma Limited**

**ADVANCING HEALTH,
EMPOWERING LIVES**

OVERVIEW

Treet Renacon Pharma Limited,

established in 1997, is a leading manufacturer of hemodialysis concentrates, citrate concentrates, hemodialysis disinfectants, and hemodialysis disposables, and a market leader and pioneer of bicarbonate hemodialysis across South & Southeast Asia since 1998.

The company now operates Asia's most modern, fully automated hemodialysis concentrate plant at FIEDMC, Faisalabad.

Treet Corporation, one of Pakistan's largest industrial conglomerates, acquired Renacon Pharma in 2016. Treet Corporation has a diversified presence in the blades & razors, personal care, automotive, energy storage, healthcare, and packaging industries.

AT A GLANCE

Competitive pricing, no quality trade-off.

Market Leadership

market share in Pakistan; nationwide trust.

Globally Ranked

Top 10 hemodialysis concentrate producers.

R&D-Driven

Continuous development of new formulations.

OTHER SUPPORT AREAS

Regulatory Support

Registration assistance

Commercial Coordination

Market-development support

Technical Training

Product and workflow guidance

Documentation Support

Operational and product documentation

Ongoing Communication

Long-term engagement framework

POSITIONED FOR THE BALANCED ADVANTAGE

What matters	Renacon	Multinationals	Local Suppliers
Regulatory	✓ Aligned for emerging markets	Focus on developed markets	Inconsistent
Compatibility	✓ Major dialysis platforms	Proprietary ecosystems	Variable
Supply flexibility	✓ Many formats & pack sizes	Limited formats	Standardized only
Total cost	✓ Lower therapy cost	Higher cost structures	Hidden costs
Responsiveness	✓ Direct, faster decisions	Multi-tier, slower	Transactional

QUALITY CERTIFICATES & STANDARDS

		
		

ENVIRONMENTAL SUSTAINABILITY INITIATIVES

Solar-powered ops

100% renewable energy powering plant operations.

Water efficiency

Water recycling plant supporting efficient water utilization.

Ethical standards

Supply chain supported by EU CE-compliant partners.

LET'S PARTNER

Reliable supply, consistent quality, and competitive economics make Treet Renacon Pharma a trusted partner in renal care manufacturing.

- Certified manufacturing standards with scalable production capacity.
- Cost-effective solutions for global markets, backed by strong institutional support.

Treet Renacon Pharma partners with distributors and healthcare providers worldwide to expand access to reliable dialysis solutions.
